

PRE-SHIPMENT TILE QUALITY INSPECTION

At Novoglobe Exports, every shipment undergoes a comprehensive quality inspection before export. Our inspection process helps ensure that the tiles supplied by our trusted manufacturing partners meet the agreed specifications for quality, appearance, packing, and loading.

Because every container represents our reputation.

OUR PRE-SHIPMENT INSPECTION PROCESS

Every shipment follows a systematic inspection process.

QUALITY INSPECTION

Novoglobe exports

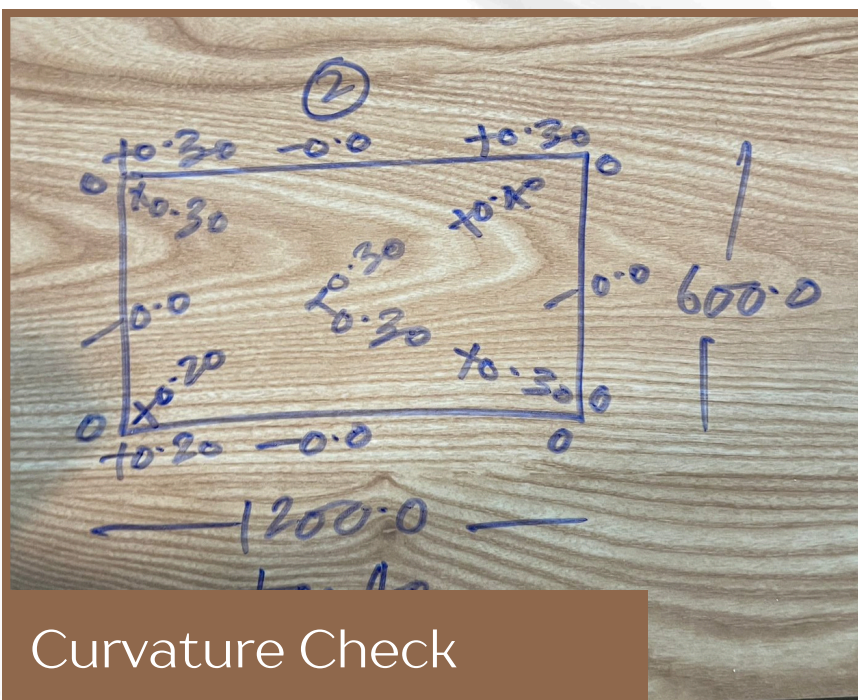

Flooring

Marker Resistance Test

Verifies stain resistance and ease of cleaning.

Curvature Check

Ensures tiles remain flat, reducing lippage during installation.

Diagonal Check

Confirms dimensional accuracy for better alignment and consistent grout joints.

QUALITY INSPECTION

Novoglobe exports ———

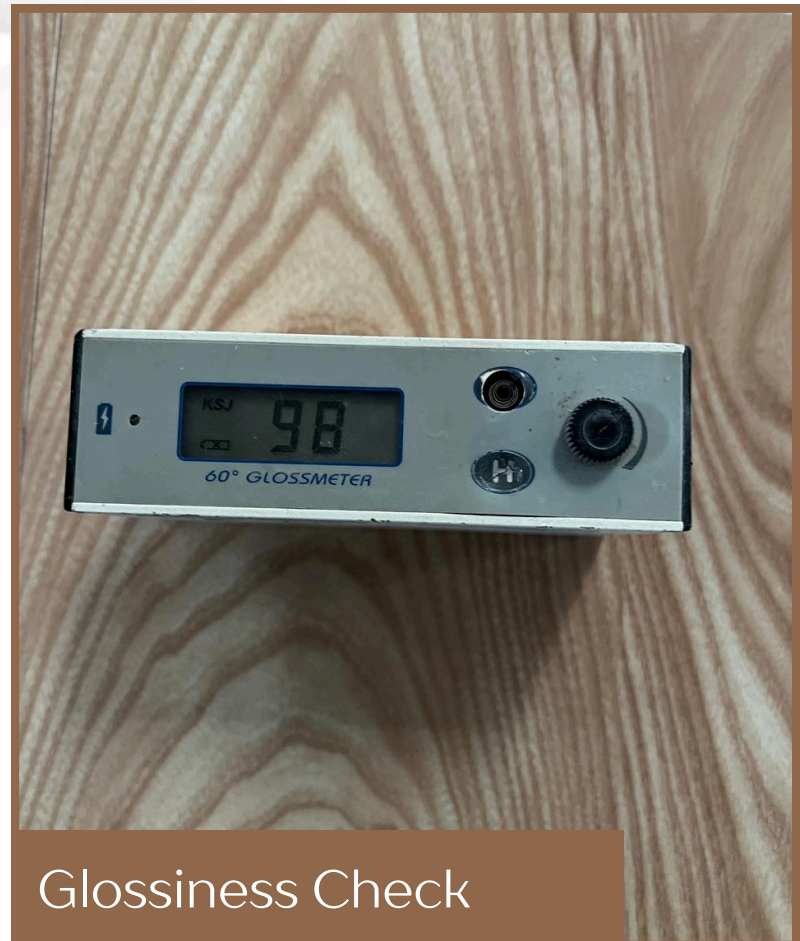

Box Weight

Confirms correct quantity and packing weight.

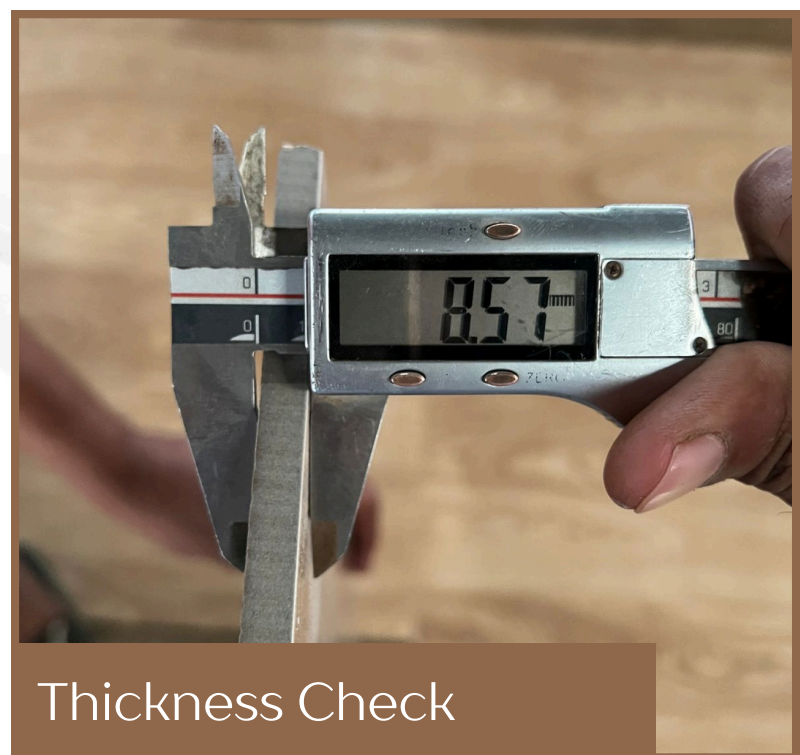

Breaking Strength

Verifies mechanical strength for handling, transport, and installation.

Glossiness Check

Confirms a consistent surface finish across the production batch.

Thickness Check

Measured using a digital vernier caliper to verify uniform thickness and ensure proper installation.

CONTAINER LOADING INSPECTION

Before loading, we **carefully inspect** the **shipping container**.

- Correct quantity
- Moisture-free container
- Container cleanliness
- Container Number Verification
- Pallet condition
- Proper stacking
- Sealing
- Seal Number Recording

Photos are taken before dispatch.

WHY BUYERS CHOOSE NOVOGLOBE EXPORTS

We understand that importing tiles requires confidence.
That is why we focus on quality verification before every shipment.

Our customers benefit from:

- Independent Quality Inspection
- Batch-wise Verification
- Container Loading Supervision
- Fast Communication
- Trusted Manufacturing Partners
- Export Packing Inspection
- Shipment Documentation Support
- Reliable Export Experience

Our goal is to help customers receive exactly what they ordered.

OUR PROMISE

Quality is the foundation of every successful business relationship.

At Novoglobe Exports, we believe that careful inspection before shipment helps reduce risk, improve consistency, and build trust with our customers.

Every order is treated with the same level of attention, whether it is a single container or a long-term supply program.

We are committed to delivering products that meet the agreed specifications and arrive safely at their destination.

Your confidence in every shipment is our priority.

Trusted Quality | Reliable Exports | Global Standards
